

Waycross Member Service Center is relocating August 7th!

We are pleased to officially announce that Community United Federal Credit Union will be merging into United 1st Federal Credit Union. This merger is the culmination of months of hard work from your United 1st staff and Board of Directors and is scheduled for completion on July 31, 2017. We aim to make this transition as seamless as possible while ensuring safety and soundness for all members.

As an added convenience for our members, we will be moving our existing United 1st Waycross branch office into the former Community United FCU Brunswick Highway branch office. We will begin operating out of the new location beginning August 7. The United 1st Waycross leadership team will be on hand to ensure a smooth transition. Please feel free to contact us as 912-283-1450 should you have any questions.

On behalf of our Board of Directors and the entire credit union team, thank you for your ongoing support.
